

CIA's position on "military" and "civil" aid, 1962.

1. Overriding has to be made more ^{clear} ~~and~~ not at all
of the kind - This is true of continuous risk -
I would not.

2. "The one we are not taking seriously" - I think
and be ready to act immediately (we can
discuss with others) in several spots. Do
not wait until crisis comes -

5. ~~Blank~~ -

3. We can't commit that we can should
not. But very short notice

Our morning, when given should be
full & firmative -

NATO and OAS should be addressed
by you and Lyndon on Monday or
Tue or

4. Hyman on outdoor div. on Exercise -

5. When (if) "go" decision, JKK should

of. The ball - This is true if minimum risk -
I would not.

2. Then you will not take them seriously. Do think
out and be ready to act immediately (we can
discuss with others) in several steps. Do
not wait until crisis comes -

2. We can't consider that we can should
not. But very short notice

Our morning, when given should be
full & formative -

NATO and OAS should be addressed
by you and Lygia on Norfolk or
the or

4. Hyman on outdoor div. on Exercise -

5. When (if) "go" decision, JTK should
cancel all further campaign inquiries
to unify country.

6. Don't think freedom of election should
prejudice "go" day.
